## Spring Pools by Robert Frost

These pools that, though in forests, still reflect  
 The total sky almost without defect,  
 And like the flowers beside them, chill and shiver,  
 Will like the flowers beside them soon be gone,  
 And yet not out by any brook or river,  
 But up by roots to bring dark foliage on.  
 The trees that have it in their pent-up buds  
 To darken nature and be summer woods---  
 Let them think twice before they use their powers  
 To blot out and drink up and sweep away  
 These flowery waters and these watery flowers  
 From snow that melted only yesterday.

## The Dot Game

Take turns drawing a straight line between two dots to make a square. When you make a square, put your initials in the box and take another turn. When all the dots have been connected, the player with the most completed boxes wins.
