

Ice Cream and Cake!

Please join us for our 60th Annual Meeting and Volunteer Appreciation Social

September 19, 2:00 p.m. to 4:30 p.m. at the Waterloo Farm Museum

For Society Members and those who would like to be Members

There will be Cake, Ice Cream Sundaes, prizes, and a short business meeting to let you know what has been happening at your museum. At 3:30 p.m. there will be a presentation that is open to the public, by Brian Dewey and James Hunt, “Forgotten History: Indian Trails and Waterways”. After all we are the Waterloo Area Historical Society.

The more we dig into the history of the area the more we find about the Native American connection with the Museum property. Brian and Jim have researched and explored many of these trails and waterways themselves. Photos and historical information of these explorations will be interesting to see.

During the business meeting, we will be voting for the approval of updated and revised Society By-laws. These by-laws have been streamlined and will now reflect the future of WAHS. Please go to our website to review and become familiar with these updates.

We hope to see you there!
